Australian Chinese Charity Foundation Inc

Chairman's Message

It is with great pleasure for me to report to you, that Australian Chinese Charity Foundation Inc. had a very successful twelve months.

I believe the success of a charitable organisation can be assessed on its works done on the welfare front, its support from community organisations, its funding base and lastly, ability to attract financial resources and new talents.

The Foundation is happy to report that we have a healthy cash base, despite the fact that we have given out over \$55,000.00 last twelve months. Hopefully, we can achieve a capital base of over \$1,000,000.00 next eighteen months. (We are at present around the \$900,00.00 mark).

We held a successful "Getting to Know You" function for community organisations early last year, in which over 125 organisation leaders attended the dinner. In winter last year, together with Cabramatta Community Centre, we gave away over 100 winter jackets for the homeless youth. We are also proud to sponsored the "I Love Elderly" Walkathon to support the fundraising activities of Evergreen Elderly Centre and the Indochina Elderly Hostel Project.

Of course, one of the most successful functions was the fundraising effort for the bushfire victims of December 2001 Bushfires in New South Wales. All together, with the help of SBS, many corporations, organisations and generous individuals, we raised over \$200,000.00 which set a target for us in the future.

The Foundation would like to thank Her Excellency Marie Bashir AC, Governor of New South Wales, Minister Philip Ruddock, Minister for Immigration and Multicultural Affairs, The Honourable Dr. Meredith Burgmann, President of The Legislative Council of New South Wales, our Premier Bob Carr, MP, and many others for honouring us with their presence in our activities.

I also like to take this opportunity to thank TVB Australia for hand over \$53,000.00 of the proceeds of "Miss Christown Quest" to be distributed for worthwhile charity projects and we thank Gantas, through its representative, Mr Peter Sinn, for its continued support for the Foundation.

Overall, ACCF had raised and given away over \$200,000.00 last twelve months.

All these activities would not have been possible without our talented Management Committee and I therefore wish to express my sincere gratitude for their enthusiasm and dedication to the Foundation.

Yours sincerely,

Peter Wong, AM, MLC
